## School Bus Rules

---

### Rules for the students

1. All children must stay seated during the journey to and from school. Their seatbelts must be fastened.
2. If any children stand up during the journey, the bus driver will stop immediately and ask them to sit down again and fasten their seatbelts.
3. Loud screaming endangers safety and must be avoided at all times.
4. Eating or drinking is not permitted.
5. No litter should be left lying around on the bus. Please dispose it in a bin at school or at home.
6. The usage of mobile phones or any other electronic devices, especially those with internet access, is allowed on the bus in cases of emergency, but only in accordance with the guidelines and requirements of the relevant child protection laws.
7. You have to comply with any instructions given by adults.
8. Any children that disregard these rules will be reported to the school office. Should this happen repeatedly, or if the safety of others is endangered, we reserve the right to exclude this child from the bus transfers in agreement with the bus company.
9. The children are encouraged to treat each other with respect and friendliness.

### Rules for the parents

1. The bus must depart from the bus stops on time. It is not possible to wait for children who are late.
2. For safety reasons only the front door of the bus will be used to get on and off.
3. Any children taking part in clubs that end after 4pm will not be able to use the bus on that particular day. Should the club be cancelled, the child will have to stay in school and go to Hort. Any children that have private lessons in school that end after 4pm will also not be able to use the bus on that particular day. The school ([hamburg@phorms.de](mailto:hamburg@phorms.de)) must be informed about the child not taking the bus as soon as possible. The responsibility and liability shall stay with the supervisor or parents. This also applies if the lesson is cancelled.
4. In case of changes for the journey back home please inform the school office until 2.30 pm at the latest. Please email to [hamburg@phorms.de](mailto:hamburg@phorms.de). A small message in the subject heading is sufficient.
